The Core Principles of the Alcoholics Anonymous 4th Edition

The Twelve Steps

The Twelve Steps form the backbone of AA?s recovery philosophy. They are designed to foster spiritual growth, accountability, and personal transformation:

- We admitted we were powerless over alcohol?that our lives had become unmanageable.
- Came to believe that a Power greater than ourselves could restore us to sanity.
- Made a decision to turn our will and our lives over to the care of God as we understood Him.
- Made a searching and fearless moral inventory of ourselves.
- Admitted to God, to ourselves, and to another human being the exact nature of our wrongs.
- Were entirely ready to have God remove all these defects of character.
- Humbly asked Him to remove our shortcomings.
- Made a list of all persons we had harmed and became willing to make amends.
- Made direct amends to such people wherever possible, except when to do so would injure them or others.
- Continued to take personal inventory and promptly admitted when wrong.
- Sought through prayer and meditation to improve our conscious contact with God, praying only for knowledge of His will and the power to carry that out.
- Having had a spiritual awakening, we tried to carry this message to alcoholics and to practice these principles in all our affairs.

The Twelve Traditions

The Traditions guide the fellowship's unity and operational principles:

- Our common welfare should come first; personal recovery depends on AA unity.
- For our group purpose, there is but one ultimate authority?a loving God as He may express Himself in our group conscience.
- Each group should be autonomous except in matters affecting other groups or AA as a whole.
- An AA group has but one primary purpose?to carry its message to the alcoholic who still suffers.
- Anonymity is the spiritual foundation of all our traditions, emphasizing humility and equality.
